At Bishop Martin School, we believe that every child should be able to see themselves and learn about others through the power of books.

Our **Belonging Reading Spine** has been carefully curated to reflect the diverse experiences, cultures, families, and identities that make up our school and the wider world.

INSPIRE *Together*

This collection of books allows every pupil to feel **represented, valued and included**. The stories chosen celebrate difference and connection, helping children to recognise that **we all belong here**.

By sharing these books, we nurture empathy, respect, and understanding – ensuring that every child not only **feels**

Create your own prayer spinner.

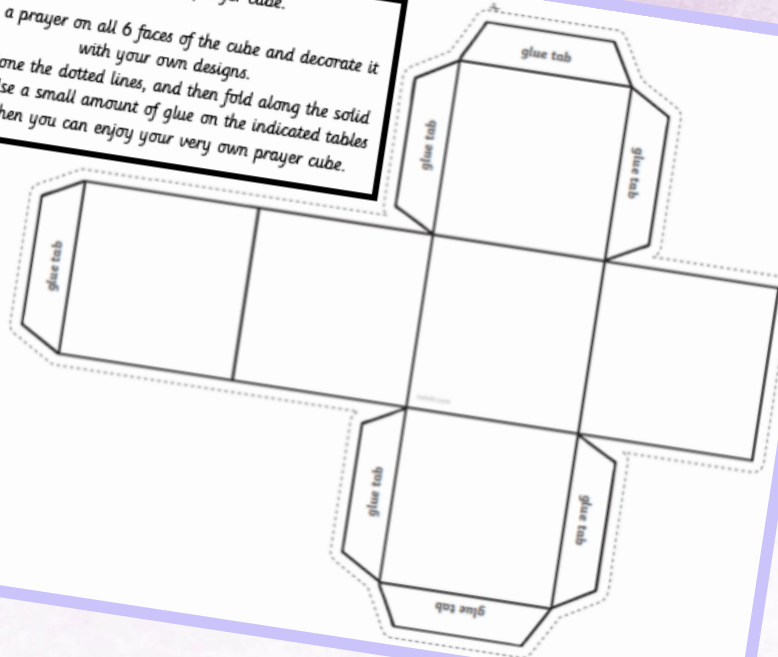

Write a prayer on all 4 parts of the circle and decorate it with your own designs.

Cut out the circle and the arrow and attach with a split pin.

When you want to say a prayer when you feel scared, thankful, or need help with something important you can use your spinner to help.

Create your own prayer cube.

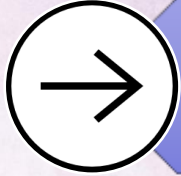

Write a prayer on all 6 faces of the cube and decorate it with your own designs. Cut along the dotted lines, and then fold along the solid lines. Use a small amount of glue on the indicated tables and then you can enjoy your very own prayer cube.
