Year 5: Textiles

Vocabulary	
construction	(in textiles) layering, stitching, weaving, pleating, plaiting, tying and knotting
deconstruction	(in textiles) cutting, tearing, hole-punching, thread removing, unpicking
layering	arranging in layers (on top of or across one another)
assembling	arranging and putting together
joining	to link or connect, perhaps by sewing
relief	a technique which can make the artwork seem 3D or as if it is coming out of itself - manipulating textures

Jean Davey Winter is an artist who trained in Printed Textiles. She uses a range of media to create her desired effect and alters fabrics using construction, deconstruction, layering, dye and batik.

Some examples of Batik fabrics (left).

Batik is an Indonesian technique of wax-resist dyeing. Batik is made by drawing dots and line of the resist with a spouted took called a tjanting.

a tjanting

a batik wall hanging
