## *Pupil Leadership Team*

*PLT is an initiative that we have been running successfully for a number of years now and we are excited to be continuing this year.*

*We want all pupils in KS2 to be part of our Pupil Leadership Team and help lead our school, making changes that matter to our whole school community.*

*Each child in KS2 will join one of our leadership teams. Most teams will have one meeting each half - term. Some will meet more often.*

*To join one of our teams please read through this booklet and talk to someone at home about three teams you are interested in joining thinking about your skills, talents and interests.*

*We will then complete the application form in school and you will then be placed in a team.*
