

Physical Education at Bishop Martin CE Primary

Bishop Martin's Mission Statement is 'Learning together in God's Love'. We feel very strongly that achieving in PE is very important. We expect all children to wear the school PE kit and all of our staff who teach or support in PE lessons wear the school kit too.

Our PE Curriculum:

A wide range of PE is delivered to the pupils, which aims to engage and inspire all pupils. We are fully committed to ensuring that all pupils receive 2 hours of high-quality, well-planned PE per week, delivered by confident and well-trained staff. We have an up-to-date PE Scheme of work to reflect the requirements of the National Curriculum.

Sustainability:

We aim to use this money to create a sustainable curriculum for all children. Some of the money provided by the funding will be invested in the professional development of staff and as a result will enhance the quality of teaching for all children.

We invite different specialists into our school, who coach teachers and work alongside them in a range of sports. Due to their influence and expertise, all teachers will have the chance to develop their teaching of P.E. and will team teach with a specialist to increase knowledge, skills and confidence.

Partnership Work / Competitions:

Our school contributes to the South Liverpool Sports Partnership, which includes 38 Primary schools, 7 secondary schools and 2 special schools. As part of the South Liverpool Schools Partnership, staff access expert Continuing Professional Development.

As well as our regular PE lessons, specific subject days are held:

- A fun run is held annually with the Horizon network.
- Intra/inter-school competitions.
- Swimming Galas for KS1 and KS2.

- Annual sports-days for EYFS, KS1 and KS2.

Participation:

The school is keen to provide a wide range of extra-curricular clubs for pupils. The clubs are delivered by both school staff and sport coaches. For example, Woolton Football Club provide a weekly football club. We monitor participation and check uptake against gender, SEN and disadvantaged children.

More Able:

Talented children are signposted to local clubs e.g. athletics, football, gymnastics, hockey, golf and tennis.

Sports Premium

Summary Costs:

The aims of our spending are to:

1. Develop fitness and well-being through the participation of high quality lessons.
2. Provide opportunities for pupils through after school sports clubs.
3. Develop sporting excellence by providing targeted extra-curricular clubs.
4. Develop sporting excellence through a range of activities to enable children to compete.
